Do we have non-branded items for the under 21 military personnel? Otherwise, this could be a problem since so many of the military personnel ARE under 21! Pls advise ASAP since we need to finalize MVP schedules. Thx!

Pls read the note from Alicia to Christine. IF we can work the base into the MVP schedule, my question to you is can we go to the base with this sort of promotion? Apparently, smoking IS allowed in the bar, but the minimum age for entry is 18, not 21. We would obviously limit participation to 21+, but I'm just not comfortable with this till I run it by you! 2061802490

Military Sales has already committed to doing bar nights, the only issue is if MVP can go in. We would make this just one of the stops during a night for @one hour, just like we do in other bars and clubs, not the entire night.

Pls advise. Thx!
